

LRA-MHB Bracket Kit

LED Mega High Bay Bracket Application

Re-Verber-Lyt is a leading North American manufacturer of innovative, energy saving lighting solutions. Our AC driverless LR-LB1 bay lights vastly reduce energy and maintenance costs while adding a new level of controllability and ease of integration into building management systems.

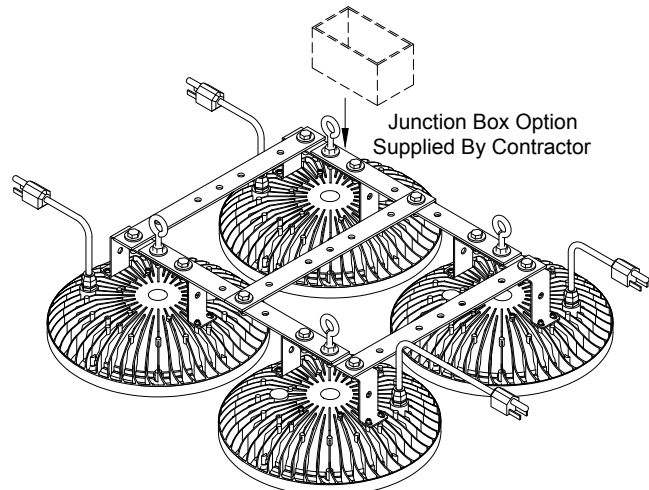

* 4) LR-LB1 Sold Separately

Mounting Height (ft.) 45'-60'		Volts 120 VAC / 60Hz Single Phase		Amps 3.2
Watts 388	Lumens 34,400	Colour (K) 5000	Water Resistant IP65	
Limited Warranty 5 years		Weight (lbs.) 20	Certification CSA / DLC	

Features & Benefits

- CSA Certified with DLC Listing
- Lower Energy Consumption
- 5 years + Maintenance Free Lighting
- IP65 Rating (Water Resistance)
- Instant on/off Operation
- Direct 10% to 100% Dimmable
- Resistant to Shock and Vibration
